

"Beach Reach 2012" Children's Camp

June 8 - 10, 2012

Kick off the summer for your
Children's Ministry with
"Beach Reach 2012"
3rd through 6th grade

Activity Based Program

We understand Children's Ministry has to be fun and full of activities to keep their attention and meet their needs! We have exciting morning celebration time with great music, followed by a full morning of games and fun activities.

Entertaining Speaker

With all the fun games and activities planned, we brought in a great entertaining speaker that will capture their attention as well as their hearts. William Stogner, Illusionist and speaker, will use audience participation, illusion and story telling to help the campers realize the importance of developing a deeper relationship with Christ!

Optional Afternoon activities

The fun doesn't stop with the planned activities in the morning. Saturday afternoon will be packed full of optional events as well. Bouncy games, waterslides, outside dirty games and some old favorites with a twist. Your group will have a blast!

Sunday wrap-up

After all the fun on Friday night and all day Saturday, we will pull everything together for a closing large group worship with more great music with a closing time with our speaker.
